Argentine Securities Exchange Commission

Ref.: Material Fact – Commercial Operational Date of Los Teros I Wind Farm

Dear Sirs and Madams,

We would like to inform you that, in compliance with the CNV (“*Comisión Nacional de Valores*”) regulations, as of 0:00 hours of today CAMMESA (“*Compañía Administradora del Mercado Mayorista Eléctrico Sociedad Anónima*”) granted the commercial authorization (COD) of 99.58 MW corresponding to 26 wind turbines of the Los Teros I Wind Farm (“*LTIWF*”) which is located near the city of Azul in the Province of Buenos Aires.

We inform that we expect to obtain the commercial authorization of the remaining wind turbines that complete LTIWF to reach a total power of 123 MW, once we complete the technical tests over the next seven days.

Yours sincerely,

Gabriel Ábalos

Market Relations Officer
